

WE ARE CURIOUS! –

WHAT DO YOU EXPECT AS A USER OF NATURAL FAMILY PLANNING?

There is a lot of research ongoing in the area of family planning. The questions often focus on the efficacy and the potentials of different methods in everyday life and possible medical side effects.

Today we are interested in you as a user of a natural method and your reasons for and expectations of a method of family planning. Please, take a moment and answer the following questions.

At the end of May 2018 we will publish the results of the evaluation of this questionnaire on the web.
